Special & Significant Events / Investigations and Activities

- **Public Events / Relations:**

1. Chief Priest - Attended grand opening of Baby Shop
2. Chief Priest / Sgt. Reyes - Spoke a Red Ribbon Week event to several hundred primary and elementary students.
3. Chief Priest - Assisted in judging Halloween decorated doors at the Lytle Nursing Home.
4. Chief Priest - Spoke to one kinder class during a Career day event.

- **Junk Vehicle Enforcement:** Cpl. Gamez has issued 10 day notices to a couple locations that have not made an attempt to comply.

- **Fire Marshal Training update:** We will be gone Wednesday and Thursday (Nov. 12 & 13) for the hands-on portion of our Fire Investigator Class in Kilgore. We are well into our Fire Inspector Class and will be gone for three days in early January 2009 for the hands-on portion of that class. We will be working to get the state certification test scheduled as soon as possible.

- **Civilian Auxiliary Report:** I have distributed some applications; the paper just ran a recruiting story from me last week. I need to start getting the vehicle ready which will be a recruiting tool also. It is going a little slower than I expected, which is probably a good thing due to the time of year.

- **Holiday Season:** We will be trying to work closer with the various retail stores as this time of year tends to see an increase in shoplifting and property crime in general.
