Richey Priest – Chief of Police / Fire Marshal

Is Your Address Posted in A Visible Location?

Emergency Responders need to be able to see your house numbers, it is not only common sense it is required by our codes. If you stand in front of your house and can't clearly see your address this could create a problem. Sometimes bushes & trees grow over them or they are removed for painting, etc. Do us all a favor and check the visibility of those numbers. It wouldn't hurt if they are reflective too!

New Signs for Our Local Businesses

Cpl. Danny Robison will be reaching out to our local business to update our contact information as well as distribute our new crime prevention posters. Did you know that there are over 175 business / commercial / church locations inside our city limits?

Check Those Smoke Detectors & Have an Exit Plan!

N. PRAIRIE ST. TO GET 2 SPEED HUMPS

The Lytle City Council passed an ordinance that will authorize two speed humps on N. Prairie St. between Laredo St. and FM 2790 N.

Right now these speed humps are resting but they will soon find a new home on N. Prairie St.

Upcoming Events

- Thursday Oct. 31 – Halloween – Watch Out for all the Trick or Treaters
- Saturday Nov. 2 – Homecoming Parade on Main St. – Starts at 10:00 AM
- Saturday Nov. 30 – Annual Christmas Hayride – Lytle Comm. Center

A Word or two from Your Chief of Police

It looks like we are still on path for a lot of growth in our community. Things have really changed in the past 20 years that I have been serving as your Chief of Police. Our new budget includes the addition of a 9th full-time peace officer position that will be funded in June of 2020. This is a much needed position considering that 20 years ago we had six full-time positions, yep that's right....with all the growth we have only added 2 positions in 20 years. Our community is really fortunate to have a solid, stable city council with a lot of common sense, it has allowed us to move forward and improve service to all our residents and visitors. There is a lot of positive energy in our community and I look forward to meeting any and all challenges that come our way. Feel free to reach out to me if you have any questions, concerns or comments. Do not hesitate to report suspicious activity, we need your help to keep our community safe. We work for the people and I promise never to forget that. – *Richey* richard.priest@lytle.tx.org
