

Special meeting with the following present: Mayor Horace Fincher; Aldermen Mark Bowen, Gerry Elias, Sam Cortez; City Secretary Josie Campa. Aldermen Erik Dahler and Ruble Farmer, Jr. were absent.

CONSIDER APPROVING CHANGE ORDER FOR DRAINAGE PROJECT

Mayor Fincher opened the meeting at 6:30 p.m. by announcing the reason for the special meeting. Mayor explained to Council that a change order was needed because the city's share of work on the drainage project by the school is a lot more than anticipated and that even though the city employees have been working late and on weekends they can't get the work done in time for the contractor to proceed because the city doesn't have the personnel or equipment to do this work any quicker. He said the contractor can do this work with his equipment and personnel for \$4,900.00 but a change order is needed. The Mayor then explained the items that will be included in this change order and recommended Council approve this change order. Alderman Elias made the motion that Council approve this change order for \$4,900.00. Seconded by Alderman Cortez. Discussion. Motion was passed unanimously.

Meeting adjourned at 6:40 p.m.
