**CONSIDER PROPOSAL FROM GEO MODEL FOR GROUND PENETRATING RADAR SURVEY ON 18" WATER MAIN ON NORTH PRAIRIE STREET**

Council reviewed and discussed the proposal from GEO Model for ground penetrating radar survey on 18-inch water main on North Prairie Street.

After discussion, Alderman Hernandez made the motion that Council hire GEO Model for one (1) day at \$3,900.00 per day, to locate valve and bedrock along North Prairie Street 18-inch water line contingent on being fairly positive that valve can be located. Seconded by Alderman Stone. Discussion. Motion was passed unanimously.

Meeting adjourned at 4:28 p.m.
